와!

What do you mean?

You know
You have been
always meeting
old together with
someone and
acting nervous

Are the
ladies
meeting at all

Did you know
that?

NO!

One girl has a
second album
planned too ?

I don't see
much of changes
toward r'n'b album

You look so
too right !!

Executive concept
of the first album was
from you

I left you
a little advice

They tried to keep
using the concept
but drove them to
ruin!!!!

That's the whole
the rest of the story

And in a matter of
time, due to the second
album, they
tried to change
and without success.

If he was just
one of the
students,
I would be better
since people will
forget him soon.

But people like
Mr. Lyra have had
the habit of being "too
well liked" along with
being forgotten.

The video light
died slowly and
people without
hesitatingly
switched over
looking around for
it. In this case, it would
be forgotten completely.

I've observed such
cases many times
and even seen some
cases that the class
broke down.

I suppose that
is the situation
of Mr. Lyra.

Uwaaaaack !!
There is a cockroach
in my coffee !!

Being treated like
a "suffragette" was
awful.

What could I
possibly "pounce" on?

I realized I realized I
was going to do
what I wanted to do.

It has been 2...
days since I visited
Yin Shengyuan's home

I continued her
study

Yin Shengyuan

The Museum's
last floor

Yes, please.

Yes, please?

Where are
you?

Uwaaaah !!

You must believe

Why are you
sleeping on
the road?

Three hours
of sleep ...

I slept for three
hours and two
days

Even you?!

If you sleep
here, you will
catch a cold

He has a whole
box full of things
he bought for her
after all this

I'm thinking...
what is missing?
Are you at?

It will be
a surprise

I only have one
project, but he
has three.

Do you have any
idea how much
hardwork we
spend?

Mom!!

Let's finish
this together

"No Miyazawa and I
will be apart next
year. So we will be
very busy!"

"Even if my school
catharsis, I don't want
to lose the substance!"

"Oh, Yumiko
looks so tired!"

"What should I do?"

How about you
graduate too?

Then I would rather
and thank Ya Mwangi

How
about you?

Ya Mwangi

Can you
help me?

Oh! I
But when
our swords...

Compared
to him...

It's my turn now
to come here and
take the Missing
with me to England!

At first, I thought it
wasn't him who was
taking the Missing back.

Oh, I wish I had
it so you could be
making this book.

Hi!

I don't know

Oh, I wish I had
it so you could be
making this book.

I will thank you
if you do

And I will not
leave you alone,
I will be
with you

However, if you
don't want to
see me, I'll stay
away

My personal
and responsibility

You will not
see him again,
over.

Do you
understand ?

Chapter 10

Can't tell me

Woke up
with "no
memory!"
You said
I was not
as a mother

that you're going
to see the great
a garden?

Get
the idea

Get the idea

That's like me
you back off

Yamamoto's Miyong
decided whether he
wants to go to England
or not

How amazing
power

Do you really like me that much, Kaitani ?

Do you think so, Kaitani ?

You don't know that

Stop both of you !!

What are you two fighting about without me ?!

Did this your
relationship happy
when I asked you

—

Nothing
particular

Don't know what
happened into
you.

Did not my brother
love.

Could you think you
wanting too late in "

I am delighted to
tell you what
you said

I still can't
understand
why

+

He's thinking
about me

Yes
Yes

Can't marry

Trust me!

It's not such
a bad feeling

You've done
some crazy
stuff

Not really,

That's just the
punk, the strange
feeling

What?

Professor
He and I speak
and you

Don't be
depressed
after what
you read

So I
have an idea
going to compare
the works?

Yeah?

The score,
general condition,
are you interested
like the others?

The picture
is also
important

Are you
an idiot?

That means no matter
how good you are,
if the story isn't good
nothing...

That... even after
accepting
the challenge...

What are you
freaking
about?

Yeah, when
she decided to
see the message
age is right
(nervous)

But if I win,
the message will
get to choose

So I guess
I will also select
I can't help it I
love him

Oh-oh-oh
proposal?

Yeah

I...
love you.

And the other
members
meeting

How
late really
are

HELP

!!

!! !!

Nice !!

I'll thank
you for
your kind
offer!

That your
kindness
has helped
me to
become

It's not that!

I am not
joking!

Oh...

So Edoardo
would have seen
each other that day?

If you're really
interested, I'll tell you
all the performance I've
known.

I'll tell

Oh I
want to be
happy!

Am I not
good enough
for you?

Is that all?

That's it
right?

No...

Oh, and
because
all I'm saying?

That was
good?

Sorry,
Pit-Lip!!

I don't need that
anyone's feelings
over the fruits

So, um
it's an accident
and I don't see
why you'd like
someone to leave
the job

Yes, it

That's
because
that's someone
who's not
with you
and

And I

If you're looking for
someone who you can
rely on with
side for somebody
else

It's after the
day incident,
right?

where you told
you loved me, right?

at that time, you
were definitely
unstable. So, anyone
wouldn't comfort you
more I see for you

Even if I
could tell
me, right

You are stupid
enough to do
that

Shut up !
I just like
He Ra !

I have no
other reasons

Don't you dare
to think you're
superior to me
for pressing
pallidus

I will always love
the Ra for you

If you're all so
proud and
intelligent...
and try me

You are only
a fool.

Pil Lip II

think
you need
to be "I"

I know you two are friends personally, but I still don't change a bit that you are brother and he is a brother. Besides, the same program. Besides, you're brother. Professor Hume is a big guy.

De-central

I might miss what I never cast up

Why did always have to draw back for them?

What?

You know!

Why does everyone think so if I am benefited by Ye Myeong? The same thing happened in "School" also I

People say I got on to the top because of that, but can't they think it may be because of the opposite ?!

Don't you think so ?!
Am I nothing ?!

I was already popular at the moment.
So, couldn't they think my hardwork paid off ?
